VISION

Saint Francis of Assisi College (SFAC) is a hub for progressive and holistic education, guided by the virtues of Saint Francis of Assisi that empowers learners with a solid academic foundation enriched by physical, spiritual, and cultural advancement.

MISSION

In line with this vision, SFAC is fully committed to:

- Deliver relevant, well-designed quality education from the Basic Education to the Graduate level, through its corps of highly-trained faculty;
- Nurture an ideal environment that hones students for academic success, molds them in cultural awareness, and prepares them for sustained participation and leadership in sports and athletics;
- Incorporate a values system in the curriculum that promotes love of God, family, and country; and,
- Integrate time-honored Filipino values in the pursuit of personal advancement.

CORE VALUES

SFAC is guided by these core values:

1. COMMITMENT – there is a commitment by each and every member of the Franciscan community to the vision set forth by the Institution;
2. OPPORTUNITY – there is a constant desire to seize the opportunity to become better members and leaders of the community, as well as contributors to nation-building;
3. RESPECT – there is an utmost respect for one's self, peers, and co-stakeholders in the Franciscan community;
4. EXCELLENCE – there is a drive to always make effective use of talents and skills in order to produce outputs of the highest quality.
